MASTER SERVICES AGREEMENT

This Master Services Agreement (the "Agreement") is entered into as of 3 July 2026 (the "Effective Date") between Corvane Industrial Holdings plc, of 1 Harbour Exchange Square, London ("Company"), and the undersigned consultancy ("Supplier"), each a "Party" and together the "Parties".

1. Structure of this Agreement

This Agreement sets out the general terms on which Supplier shall provide professional services to Company and its affiliates. Specific services shall be described in one or more statements of work (each a "Statement of Work"), each of which shall reference this Agreement and be signed by authorised representatives of both Parties. In the event of any conflict between this Agreement and a Statement of Work, this Agreement shall prevail unless the Statement of Work expressly identifies the provision of this Agreement it is intended to vary.

The schedules to this Agreement set out the general terms that apply to each category of service. Where a Statement of Work covers more than one category, the schedule for each category applies to the services within it.

2. Definitions

"Affiliate" means any entity that directly or indirectly controls, is controlled by, or is under common control with a Party. "Business Day" means a day other than a Saturday, Sunday, or public holiday in England. "Deliverables" means all documents, software, designs, reports, and other materials that Supplier is required to deliver under a Statement of Work. "Services" means the services described in each Statement of Work, together with any incidental services reasonably necessary for their performance.

3. Governance

Each Party shall appoint a relationship manager with authority to make day-to-day decisions under this Agreement. The relationship managers shall meet at least once each calendar month to review progress against each active Statement of Work, identify risks, and agree any corrective actions. Minutes of each meeting shall be circulated within five (5) Business Days.

Either Party may escalate an unresolved operational issue to a steering committee comprising one senior representative of each Party. The steering committee shall meet within ten (10) Business Days of an escalation notice and shall use reasonable efforts to resolve the issue at that meeting.

4. Change Control

Either Party may request a change to the scope, timetable, or charges of a Statement of Work by submitting a written change request. Supplier shall respond within ten (10) Business Days with an assessment of the impact of the change on the charges, the timetable, and any other affected terms. No change shall take effect until a change note is signed by both Parties.

5. Charges and Invoicing

Company shall pay the charges set out in each Statement of Work. Unless a Statement of Work provides otherwise, Supplier shall invoice monthly in arrears for time and materials charges, and on achievement of each milestone for fixed-price charges. Each invoice shall be accompanied by reasonable supporting detail. Company shall pay each valid invoice within thirty (30) days of receipt.

6. Service Levels

Where a Statement of Work specifies service levels, Supplier shall measure its performance against them each month and report the results to Company within five (5) Business Days of the month end. A failure to meet the same service level in three (3) consecutive months shall entitle Company to require a remediation plan, which Supplier shall prepare within ten (10) Business Days.

7. Personnel

Supplier shall ensure that all personnel assigned to the Services are suitably qualified and experienced. Supplier shall use reasonable efforts to maintain continuity of the key personnel named in a Statement of Work, and shall give Company reasonable notice of any proposed replacement.

8. Data Protection

Where Supplier processes personal data on behalf of Company, the Parties shall enter into a data processing agreement that complies with applicable data protection law. Supplier shall implement appropriate technical and organisational measures to protect such personal data against unauthorised or unlawful processing, and against accidental loss, destruction, or damage.

9. Records and Audit

Supplier shall keep complete and accurate records relating to the Services and the charges for at least three (3) years after the end of the relevant Statement of Work. Company may, on reasonable notice and not more than once in any twelve (12) month period, audit those records to verify compliance with this Agreement.

10. Insurance

Supplier shall maintain, with reputable insurers, professional indemnity insurance of not less than two million pounds (£2,000,000) per claim, public liability insurance of not less than five million pounds (£5,000,000), and employer’s liability insurance as required by law. Supplier shall provide certificates of insurance on request, and shall notify Company of any cancellation or material change in cover. The required insurance shall be maintained for the term of this Agreement and for six (6) years after its end.

Schedule 1: General Terms for Consulting Services

Client Responsibilities

Company shall provide Supplier with all information, assets, approvals, and access reasonably required to perform the Services, within the timeframes agreed between the parties. Company shall designate a single point of contact authorised to give feedback and approvals on its behalf. Where Company fails to provide required materials or approvals within five (5) business days of a written request, the delivery schedule shall be extended by an equivalent period.

Independent Contractor Status

Supplier is an independent contractor and not an employee, partner, or agent of Company. Supplier is responsible for all taxes, insurance, and statutory contributions arising from payments under this Agreement. Nothing in this Agreement creates an employment relationship between the parties, and Supplier shall have no authority to bind Company to any obligation.

Supplier shall determine the method, details, and means of performing the Services, and may perform them at such times and locations as Supplier considers appropriate, provided that agreed deadlines and any scheduled meetings or attendances are met.

Subcontracting and Assignment

Supplier shall not subcontract any material part of the Services without Company's prior

written consent. Where consent is given, Supplier remains responsible for the acts and omissions of any subcontractor. Neither party may assign this Agreement without the written consent of the other, such consent not to be unreasonably withheld.

Force Majeure

Neither party shall be liable for any failure or delay in performance caused by events beyond its reasonable control, including natural disaster, serious illness, war, civil unrest, epidemic, governmental action, or failure of public infrastructure or communications networks. The affected party shall notify the other promptly and shall use reasonable efforts to resume performance.

Waiver

No failure or delay by either party in exercising any right under this Agreement constitutes a waiver of that right, and no single or partial exercise of any right prevents any further exercise of it or of any other right. A waiver is effective only if given in writing.

Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior discussions, proposals, and understandings, whether written or oral. Any amendment must be in writing and signed by both parties.

Severability

If any provision of this Agreement is held to be unenforceable, that provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force and effect.

Notices

All notices under this Agreement shall be given in writing by email to the addresses set out above, and shall be deemed received on the next business day following transmission.
